

Notes:

1. The following list of school funding data only contains NSW non-government schools, including Independent and Catholic sector schools. Data sourced from Department of Education, Skills and Employment's school funding model, reflecting enrolment data as at 15 November 2021.
2. The data reflect Commonwealth recurrent school funding only - excludes funding for capital purposes, special circumstances, Non-Government Representative Bodies, prescribed circumstances, and the Choice and Affordability Fund.
3. The per student funding data provided reflect schools' estimated Commonwealth funding entitlements calculated in accordance with the *Australian Education Act 2013*. Estimated entitlements may not reflect the actual Commonwealth payment made to schools due to a variety of circumstances. School systems may redistribute funding to their member schools according to their own needs-based model.
