Senator Chris Evans
Leader of the Government in the Senate
Minister for Tertiary Education, Skills, Jobs
and Workplace Relations

TO THE COMMUNITY OF ST MARY AND ST MINA'S COPTIC ORTHODOX COLLEGE

On behalf of the Australian Government, I would like to congratulate St Mary and St Mina's Coptic Orthodox College on the opening of the new multipurpose complex under the Building the Education Revolution (BER) program.

I regret I cannot be with you today. I look forward to seeing first hand the great benefits that this much needed revitalisation will bring.

It has been a busy time for your school and the education sector in Australia as we see the BER, a critical component of the Government's Nation Building - Economic Stimulus Plan, deliver new infrastructure and resources to meet the needs of 21st Century learning, while supporting Australian jobs.

Whether a project involves the refurbishment of a classroom, the construction of a covered outdoor learning area or a new library or science centre, each is a valuable addition to a school's learning environment and to the quality of the education Australia provides.

I would like to acknowledge the work and effort that your school has invested. I believe this effort and the wider Education Revolution initiatives that we are all working on together will benefit the school and broader communities for many years to come.

I extend my gratitude to the staff at St Mary and St Mina's Coptic Orthodox College for constantly meeting the demands that are placed upon you in nurturing your students.

The Australian Government is committed to working with schools to ensure that students have the opportunity to achieve to the very best of their abilities.

Yours sincerely

Hi s 47F

Thank you for advising that you will hold your BER Recognition Ceremony on 6 April 2011. As discussed, I am sorry to say that I was unable to get an Australian Government representative to attend your BER ceremony at such short notice.

I have attached a congratulatory message from Senator Chris Evans, Minister for Tertiary Education, Skills, Jobs and Workplace Relations to read out at your BER Recognition Ceremony and a proof of your plaque that you can use for your ceremony.

To acknowledge the funding provided by the Australian Government, please ensure the plaque we provide is affixed to the completed project. Where a plaque cannot be attached to the project, it must be placed in an appropriate location in the school such as the front foyer or administration area.

We will arrange for a plaque to be produced and sent to you via Australia Post. I have attached a pdf that you can use for the day, the real one will look slightly different.

I encourage you to photograph this event and place your photos, along with any other relevant information, on your school website. This will provide a valuable pictorial record of your school's progress that can be shared with the broader community.

Please accept our best wishes for the day. If I can be of further assistance, please do not hesitate to contact me.

Kind regards

Dear Sir/Madam,
please find attached the:

Registration PDF pro former filled in
The Invitation flyer being circulated

I understand this is an application. Please forgive us but we have had to arrange a date and time based on the schedule of the visiting Church Official from Egypt. His availability was not negotiable and so we have been forced to press ahead with an opening if we really want him there.

If coincidence and good will are able to allow the attendance of the Australian Government official we will be doubly blessed by our Lord.

Please forward a representative or a letter to be read aloud in public as you require.

Yours Sincerely,

Mr Jason N Stanley
College Principal - s 47F

By the Grace of our Lord Jesus Christ in the Primary Campus of St Mary & St Mina's College a wonderful new building has been completed to accommodate our growing student population. Please highlight any significant points of interest about the school:

This Coptic community represents the Orthodox Christians of Australia. As the original indigenous Egyptians, these people have and continue to adopt Australia as their new home. This community is the example pointing the way to persons of Middle Eastern decent exemplifying Christian and Australian attitudes, values and concerns, while enjoying the freedom from oppression and persecution experienced in contemporary Middle Eastern society by persons of Christian faith. Australia provides the foundation for the establishment of a free and thriving Coptic community. The significant resolve of the Community to demonstrate and uphold Australian values is exemplary and to be commended to the broader Australian community. - College Principal Mr. Jason N Stanley
