

Australian Government Capital Grants Program (CGP) for non-government schools

2024 Projects

NOTES

- Funding for the CGP for non-government schools is provided through Block Grant Authorities (BGAs).
- The BGAs recommend projects for Commonwealth CGP funding in accordance with the CGP Guidelines.
- The Commonwealth CGP grant amounts allocated to the non-government schools listed below are as at 10 Jan 2024.
- The Commonwealth CGP grant amount and project details are subject to change due to variations and cancellations of projects over time.
- The NT and the ACT each have a Joint BGA representing both the Catholic and independent schools.

State	Sector	School Name	Location	Project Description	Commonwealth CGP Grant
ACT	Joint	Mother Teresa School	HARRISON	Refurbishment of multipurpose hall, including an extension of the existing floor area and creation of a new stage and storage areas	\$863,000
ACT	Joint	St Joseph's Primary School	O'CONNOR	Redevelopment of administration and staff facilities, including demolition and new construction of entry foyer and reception, administrative offices, meeting rooms, staff kitchen, breakout space and amenities	\$1,000,000
ACT	Joint	Taqwa School	MONCRIEF	Construction of an extension comprising two general learning areas, staff administration room, storage and amenities	\$702,613
NSW	Catholic	All Saints College (St Peter's)	MAITLAND	Construction of hall/gymnasium, undercroft, pupil facilities and seven personal development, health and physical education learning spaces.	\$2,492,441
NSW	Catholic	Edmund Rice College	WOLLONGONG WEST	Construction of a purpose-built facility that will consolidate Technological and Applied Studies/Vocational Education and Training, except hospitality, in one building in a more suitable location. Refurbishment of dysfunctional and dislocated general and specialist learning spaces and administration/staff spaces, and site upgrades to improve amenity.	\$5,684,004
NSW	Catholic	St Bernard's Catholic Primary School	BEROWRA HEIGHTS	Project comprises replacement and refurbishment of aged and dysfunctional facilities, and removal of demountables. Demolition of poorly located buildings and construction of 2-storey classroom building, multi-purpose hall and rationalisation of occupancy.	\$3,138,713
NSW	Catholic	St Mary's Cathedral College	SYDNEY	Refurbishment and expansion of college facilities to accommodate strategic reprofiling of the College from Years 3-12 boys' school to K-12 coeducational with a long-term stable enrolment of 1470 students.	\$4,952,893
NSW	Catholic	St Patrick's Catholic Primary School	EAST GOSFORD	Alienation of the infants' campus and consolidation of the school onto one campus including the demolition of inadequate staff facilities and classroom. Construction of new staff and administration centre, four classrooms, "central realm", comprising breakout spaces and covered outdoor learning area, and refurbishment of 13 classrooms.	\$4,554,199
NSW	Independent	Armenian General Benevolent Union Alexander Primary School	DUFFYS FOREST	Construction of a multipurpose centre comprising library area, new amenities, flexible learning and information technology zones, and small collaborative learning zones.	\$700,000
NSW	Independent	Belmont Christian College	BELMONT NORTH	Construction of additions to multipurpose hall to include specialist music and drama facilities, tuition rooms, storage, and stage access.	\$930,000
NSW	Independent	Burrabadine Christian Community School	DUBBO	Construction of new secondary science room, preparation room, chemical storeroom, and a verandah with lockers.	\$760,000
NSW	Independent	Ebenezer Christian College	PROSPECT	Construction of two modular classrooms.	\$461,000
NSW	Independent	Gateway Community High	CARLINGFORD	Refurbishment of an existing building to provide four general learning areas, two general learning areas with an operable wall to be used for science, art, physical education and as an assembly space.	\$550,000
