## **NOW IT IS AGREED** as follows:

### **PART A: Commonwealth Grant Scheme funding**

#### *Commonwealth Grant Scheme funding amount and payment arrangements*

1. The Commonwealth will pay to the Provider the CGS funding amount for the 2024 and 2025 grant years, calculated in accordance with Division 33 of HESA.
2. The Commonwealth will notify the Provider, before the start of each grant year covered by this agreement, about the CGS advances that will be paid to the Provider in respect of amounts expected to become payable for the relevant grant years under subsection 164-10(1) of HESA.
3. Amounts payable as CGS advances may be adjusted throughout the relevant grant year based on information provided to the Commonwealth by the Provider.
4. CGS advances made in respect of a grant year will be reconciled with CGS funding payable to the Provider for the relevant year. This reconciliation will occur when actual student enrolment data for the Grant Year is finalised and provided to the Commonwealth. If the amount of an advance paid to the Provider exceeds the amount that becomes payable to the Provider, the Commonwealth will seek recovery of the overpaid amount from the Provider under subsection 164-10(1A) of HESA.
5. The Provider must use an amount equivalent to any unspent amounts from their MBGA allocation for 2024 and 2025 (being amounts that the Provider does not use to deliver Commonwealth supported places) for the purposes of supporting equity outcomes for under-represented groups, consistent with Appendix 1 and the Provider's Equity Plan (where this exists).

#### *Estimates of Commonwealth supported places*

6. The Provider must provide accurate and timely estimates of the number of grandfathered students and non-grandfathered students expected to study in Commonwealth supported places, for the current and future years, as required by the Commonwealth.

#### *Provision of other data*

7. The Provider must provide data relating to revised transparency arrangements as requested, including in relation to admissions processes and the cost of teaching and scholarship. This includes providing the data in the form and at the times required by the Commonwealth to support the national admissions platform.

### **PART B: Allocation of places**

#### *Maximum basic grant amount*

8. The maximum basic grant amounts specified for the purposes of subsection 30-27(6) of HESA, for the grant years covered by this agreement, are set out in [Table 1a](#) of Appendix 1. Appendix 1 also contains additional conditions in relation to the maximum basic grant amount with which the Provider must comply.

#### *Allocation of Commonwealth supported places*

9. The total number of Commonwealth supported places allocated to the Provider under paragraph 30-10(1)(b), for grandfathered and non-grandfathered students in each funding cluster for the grant years covered by this agreement, are set out in [Table 2a](#) and [Table 2b](#) of Appendix 2.
10. Any places allocated at the postgraduate level are for non-research courses of study and exclude any course which is subject to Ministerial determination under paragraph 36-15(2)(b) of HESA.
11. The amount of funding advanced to the Provider as an amount expected to become payable under HESA for the grant years covered by this agreement will initially be calculated on the basis of the Provider's MBGA specified in Appendix 1. If the Provider is unable to deliver the places detailed in [Table 2a](#) or [Table 2b](#) of Appendix 2 it must notify the Commonwealth as soon as practicable.
12. The Provider must not transfer any allocation of Commonwealth supported places between

undergraduate and postgraduate courses of study.

13. The Provider may be audited to check whether actual enrolments in Commonwealth supported places align with Table 2a or Table 2b of Appendix 2.

**PART C: Other conditions and requirements**

*Clinical placements and practicums*

14. For a course that is accredited under section 49 of the National Law, the Provider must ensure that each student enrolled in the course has access to clinical placements in accordance with the approved accreditation standard for the profession.
15. For a course that provides a pathway to professional certification or registration, where that certification or registration requires the completion of a clinical or practicum placement (for example in initial teacher education, engineering or social work) the Provider must ensure that each student enrolled in that course has access to clinical placements or practicums in accordance with the relevant professional accreditation standards.

*New campuses and campus closures*

16. The Provider must use the Commonwealth supported places it is allocated under this agreement to deliver courses of study at the campuses or educational facilities listed in Table 1 and Table 2 below.
17. The Provider must obtain the Commonwealth’s prior written approval if the Provider proposes to enrol Commonwealth supported students in a course of study that is, or is to be undertaken, primarily at an educational facility, other than one of the Provider’s campuses listed below in Table 1.
18. Similarly, if the Provider proposes to close a campus or approved educational facility where Commonwealth supported students are enrolled, the Provider must obtain the Commonwealth’s prior written approval.

**Table 1: Provider’s campuses**

Name of campus

*Closures of courses*

19. The Provider must obtain the Commonwealth’s prior written approval before closing a course listed in Appendix 2 in which students are enrolled in Commonwealth supported places. The Provider’s notice to the Commonwealth must be in the form included at Appendix 3.
20. In making a decision to approve a course closure under clause 19, the Commonwealth will:
  - 20.1. seek to reach a mutually agreeable arrangement with the Provider regarding the course closure;
  - 20.2. have regard to student demand for the course, the financial viability of the course, the justification provided for a proposed course closure by the Provider and other relevant factors;
  - 20.3. assist the Provider to explore options to retain the course, including through cooperation with another provider or the movement of Commonwealth supported places to another provider (where applicable); and
  - 20.4. not unreasonably withhold approval for a course closure so as to place an unreasonable financial burden on the Provider or place the Provider in a financially unviable position in regard to the Provider’s overall financial status.

*Applicable law and jurisdiction*

21. The laws of the Australian Capital Territory apply to the interpretation of this agreement.

22. The parties agree to submit to the non-exclusive jurisdiction of the courts of the Australian Capital Territory and any courts which have jurisdiction to hear appeals from any of these courts in respect to any dispute under this agreement.

*Entire agreement, variation and severance*

23. This agreement, and the HESA, record the entire agreement between the parties in relation to its subject matter. Any previous agreement covering the relevant grant years is terminated and replaced by this agreement on the date this agreement is made.
24. Except for action the Commonwealth is expressly authorised or required to take elsewhere in this agreement or HESA, no variation of this agreement is binding unless it is agreed in writing and signed by the parties.
25. If a court or tribunal says any provision of this agreement has no effect or interprets a provision to reduce an obligation or right, this does not invalidate, or restrict the operation of, any other provision.

*Notices*

26. A party giving notice under this agreement must do so in writing or by Electronic Communication:

The Provider must comply with their Equity Plan.
3. Providers will be required to adhere to any Departmental requests in relation to the preparation of Equity Plans.
4. Providers will also be required to provide information to the Department in relation to their Equity Plans, which may include:
  - 4.1. itemised information on the activities or initiatives to be funded, including amounts spent per item and the timing of the spending;
