Tuition Protection Service (TPS)

1. continue studying with an alternative provider

and/or

2. receive a refund of unspent tuition fees

TPS Online system

TPS Online is the system you will use to request and receive TPS assistance

You can request a place with an alternative provider or request a refund in TPS Online

We will show you how to use TPS Online later in this presentation

TPS Online step-by-step instructions are on the TPS website

Access TPS Online via the TPS website

Continuing your studies with an alternative provider

Our priority: To help you to continue your studies with a new education provider

TPS Online contains a list of alternative courses at different providers nearby

You will need to contact the new provider to enrol with them. The provider will upload an offer in TPS Online that **you will need to accept**.

You can choose to enrol in an alternative course with another provider which is not listed in TPS Online

Alternative courses may cost more or less than your current course.
If costs are higher, you will need to meet those costs.

Unspent tuition fees

Unspent tuition fees: The fees that you paid to The Language Academy for education or training that you did not receive:

For example, if you paid for 10 weeks of tuition and only attended classes for 7 weeks, the remaining 3 weeks are your **unspent tuition fees**

The TPS can provide you with a refund of any **unspent tuition fees** that were paid to The Language Academy

If the TPS does not identify any suitable alternative courses for you, or if you have already enrolled at a new provider, you will receive a refund of your unspent tuition fees

Unspent tuition fees

Your refund can be paid to:

- your personal bank account
- another nominated bank account (e.g. a family member)
- your new education provider
- your education agent

If you would like your agent to receive your refund on your behalf, you must request and return an **Authority to Act/Refund** form by emailing support@tps.gov.au

Information about your student visa

Student visa holders must remain enrolled in a registered course

You must finalise a new enrolment within 3 months of your provider defaulting

If you cannot finalise a new enrolment within 3 months, the Department of Home Affairs may offer you an extension. You must provide relevant information for consideration.

If your student visa has not yet been granted, you must finalise a new enrolment and send information about your new enrolment to the Department of Home Affairs. Your visa application will be assessed based on your new enrolment.

Do I need a new student visa?

You **will** need to apply for a new student visa if you enrol in a new course which:

- is at a lower Australian Qualification Framework (AQF) level than your previous course, or
- will finish after your current visa expires

You **will not** need to apply for a new student visa if you enrol in a new course which:

- is at the same or a higher AQF level than your previous course, and
- will finish before your current visa expires

Check the expiry date of your student visa by viewing your visa grant notice or by using the Visa Entitlement Verification Online (VEVO) service at

online.immi.gov.au/evo/firstParty?actionType=query

Visa Application Charge exemption

If you need to apply for a new student visa because your provider defaulted, you will be eligible for a Visa Application Charge (VAC) exemption **if**:

- you currently hold a student visa, or your last substantive visa was a student visa, and
- you were enrolled with the provider when it defaulted, and
- you apply for your new visa within 12 months of your provider defaulting

When you apply, tell the Department of Home Affairs that you have been affected by a provider default and attach evidence of your enrolment with a new education provider, such as your CoE

Work conditions

You **cannot** work more than 48 hours per fortnight **while your course is in session**

You **can** work more than 48 hours per fortnight **when your enrolment has been cancelled due to a provider default**

If you are on a Bridging Visa (BV), refer to the conditions attached to your BV regarding work and other conditions

Travelling home

You can travel home while you arrange your enrolment in another course. **You must have a valid student visa to enter Australia on your return.**

If you have applied for a student visa and you are awaiting a decision, you must have a valid Bridging Visa B (BVB) to travel
