Finalising an access request initiated by your employer

Sometimes an access request may be submitted for you by your employer via their Authorised Access Delegate or the Inclusion Support Program Help Desk. If that is the case, the access request is automatically approved, but you must finalise the request before you can use the IS Portal.

This involves responding to an email notification, confirming your PRODA account and formally agreeing to the terms and conditions of portal use.

1. From the opened email, **click *Finalise Inclusion Support Portal access***.

Clicking this link opens a browser and takes you to the '*Department of Social Services (DSS) account selection*' page.

It is important that you click the link from the email as it contains a 'token' that will connect the access request with your PRODA account. Without this connection, the request can't be finalised.

2. On the 'Department of Social Services account selection' page, **select PRODA**.

3. **Log into PRODA** as described on [pages 4-5](#). After authentication, you are taken to the *portal's Terms and Conditions* page.
4. **Tick the Acknowledgement** to accept.
5. Then **select Continue**.
