

## Dashboard instructions

General instructions	
<p>To navigate between pages in the dashboard, click the button located in the bottom of each page.</p>	
Specific selection instructions	
<p><b>Home page</b></p> <p>When opening the dashboard for first time, you will reach the home page. Select the relevant button to go to the desired page. The dashboard contains data from 2011 to 2024*.</p> <p>*Bond University, University of Divinity and Torrens University for 2020 to 2024 only. Avondale University for the 2023 and 2024 only.</p>	
<p><b>University selection</b></p> <p>You can explore the data for the whole sector or by selecting individual institutions in the 'University' menu at the top of each page. All institutions are selected by default.</p> <ul style="list-style-type: none"> <li>To view the data for just one university, click on that university.</li> <li>To view data for multiple universities, click on each relevant university.</li> <li>To clear your selection, deselect the relevant boxes or click on </li> </ul>	
<p><b>Year selection</b></p> <p>You can explore the data for different reporting periods by selecting from the 'Year' menu at the top of each page.</p>	

- To view the data for a particular year, click on that year.
- Click the > for previous years.

### Comparative Analysis

This page allows you to compare financial metrics and ratios and visualise them on a clustered bar chart.

- Select the relevant institution and reporting period from the 'University' and 'Year' menus as outlined above.
- Select a financial metric or a ratio to view from the menu at the top of the page.
- Only one line item and one ratio can be viewed at a time.
