

**Australian Government Capital Grants Program (CGP) for non-government schools
2026 Projects**

NOTES

- Funding for the CGP for non-government schools is provided through Block Grant Authorities (BGAs).
- The BGAs recommend projects for Commonwealth CGP funding in accordance with the CGP Guidelines.
- The Commonwealth CGP grant amounts allocated to the non-government schools listed below are as at **17 August 2026**.
- The Commonwealth CGP grant amount and project details are subject to change due to variations and cancellations of projects over time.
- The NT and the ACT each have a Joint BGA representing both the Catholic and independent schools.

State	Sector	School Name	Location	Project Description	Commonwealth CGP Grant
ACT	Joint	Burgmann Anglican School	GUNGAHLIN	Construction of a double gymnasium facility	\$1,000,000
ACT	Joint	Canberra Montessori School	HOLDER	Construction of a new classroom	\$377,025
ACT	Joint	Holy Family Primary	GOWRIE	Refurbishment and extension of existing classroom block to reconfigure six classrooms and create two additional classrooms, breakout spaces and teacher collaboration area.	\$750,000
ACT	Joint	Islamic School of Canberra	WESTON	Refurbishment of an existing classroom block to replace roof, create one new general learning area and upgrade amenities.	\$1,000,000
ACT	Joint	St Francis of Assisi Primary	CALWELL	Establishment of a new master plan	\$31,000
ACT	Joint	St Matthew's Primary	PAGE	Refurbishment of three classrooms and support spaces.	\$771,954
ACT	Joint	St Thomas Aquinas Primary	CHARNWOOD	Establishment of a new master plan	\$36,000
ACT	Joint	Stromlo Forest Anglican College	WRIGHT	Construction of a five-storey senior school classroom block comprising 30 general learning areas, four music rooms, 12 practice rooms, a science laboratory, library, canteen, administration and meeting spaces, student and staff amenities.	\$1,500,000
ACT	Joint	Trinity Christian School	WANNIASSA	Revision of existing master plan	\$40,500
NSW	Independent	Amity College	PRESTONS	Construction of a three storey building comprising an art room, music room, a science, technology, engineering and mathematics (STEM) room for use by primary students, a staff room, a drama room, music room, multipurpose learning spaces, amenities, offices and four general learning areas for secondary students.	\$2,500,000
NSW	Independent	Arden Anglican School	EPPING	Demolition of three existing school buildings. Refurbishment of existing school buildings. Construction of a two storey building to provide nine general learning areas, a small music room, music rehearsal rooms, breakout spaces, outdoor recreation space, landscaping, student amenities and underground parking.	\$5,000,000
NSW	Independent	Australian International Academy, Sydney, Strathfield Campus	STRATHFIELD	Installation of a modular building comprising two general learning areas, a staff room, and two verandahs.	\$350,000
NSW	Independent	Australian Islamic College, Riverstone	RIVERSTONE	Development of a new campus comprising a primary building with six general learning areas, a library, a creative arts room, a multipurpose hall, a canteen, outdoor play area, student amenities, a staffroom, carpark, student pickup/drop off area, and bus bay.	\$3,000,000
NSW	Independent	Avondale School	COORANBONG	Refurbishment of six general learning areas, administration office and staff amenities.	\$1,500,000
NSW	Independent	Burrabadine Christian Community School	DUBBO	Construction of a technology building to create a metalwork room, a woodwork room, storage spaces, a print room and a services room.	\$950,000

NSW	Independent	Carinya Christian School	TAMWORTH	Redevelopment of 11 existing learning spaces to provide 14 flexible learning areas comprising nine general learning areas, two secondary food technology rooms, and three secondary general learning areas. Construction of covered pathways, bag storage, student assembly areas, and student amenities.	\$1,050,000
NSW	Independent	Hinterland Christian College	MULLUMBIMBY	Construction of three general learning areas with operable walls.	\$1,950,000
NSW	Independent	Lindisfarne Anglican School	TERRANORA	Extension of a two storey arts building to create three studios, a staff room and store rooms. Refurbishment of an arts facility to establish a purpose-built Creative Industries Building comprising studios, meeting room, workshops and digital media area.	\$3,000,000
NSW	Independent	Marsden Park Anglican College	MARSDEN PARK	Construction of a Science, Technology, Engineering, Arts and Mathematics (STEAM) building comprising 18 learning areas, science preparation rooms, a staff area, meeting rooms, storerooms, student and staff amenities, a media room, and a lift.	\$3,000,000
NSW	Independent	Moama Anglican Grammar School	MOAMA	Expansion of the multipurpose hall to provide two general learning areas, six music tutorial rooms, food technology area, an administration office, a covered outdoor learning (COLA).	\$1,880,000
NSW	Independent	Yulinbal	TAREE	Construction of three learning areas to provide a general learning area, a quiet learning area, a wellbeing room, and an administration area.	\$900,000
NSW	Independent	North Academy	WEST WALLSEND	Construction of a multipurpose hall. Refurbishment a building to provide an administration area, library/resource area, teaching support area. Construction of covered outdoor learning area (COLA), a carpark, landscaping, & fencing.	\$1,500,000
NSW	Independent	Nowra Christian School	NOWRA	Construction of two science laboratories and a preparation room. Construction of a two storey building comprising eight primary general learning areas, a breakout room, a storage area, a staff room, an office, student amenities, verandas, and a lift.	\$2,400,000
NSW	Independent	Oran Park Anglican College	ORAN PARK	Construction of a two storey secondary building comprising six general learning areas, two science rooms, two food technology rooms, flexible learning areas, storage areas, administration areas, a canteen, a lift, student amenities and a pedestrian link to an adjacent building. Includes the relocation of existing modular buildings.	\$2,000,000
NSW	Independent	Penrith Anglican College	ORCHARD HILLS	Construction of a two storey building comprising 14 Science, Technology, Engineering, Arts and Mathematics (STEAM) areas, four small science learning areas, STEAM preparation rooms, staff areas, storage areas. Includes furniture, equipment and landscaping.	\$5,000,000
NSW	Independent	Port Macquarie Adventist School	PORT MACQUARIE	Electrical Infrastructure upgrade including substation/transformer along with distribution boards and other related transmission hardware.	\$385,000
NSW	Independent	Shoalhaven River College	BOMADERRY	Construction of modular buildings to provide eight general learning areas, a common room, a kitchen, staff/student amenities, a meeting room, a principal's office, staffroom, storage and server room.	\$1,260,000

NSW	Independent	St Bishoy Coptic Orthodox College	MOUNT DRUITT	Refurbishment of six general learning areas. Refurbishment of the existing library to create a modern Learning Centre.	\$2,000,000
NSW	Independent	St Maroun's College	DULWICH HILL	Redevelopment of a Multipurpose Hall	\$1,000,000
NSW	Independent	St Narsai Assyrian Christian College	HORSLEY PARK	Construction of a primary school building comprising 10 general learning areas, a science, technology, engineering and mathematics (STEM) area, student breakout areas, a staffroom, meeting rooms, offices, a storage area and student and staff amenities.	\$1,500,000
NSW	Independent	Tallowood Steiner School	BOWRAVILLE	Construction of a new GLA with Operable wall/door opening to an office breakout room. Accessible amenities, art sinks, drink water filtration system, a drinking water station, and associated infrastructure drainage. Covered veranda & walkways linking existing buildings ramp & stairs. Car park upgrade, fencing and entrance. Installation of an emergency warning system and security alarm system. Landscaping for riparian corridor vegetation management plan (creek remediation)	\$1,500,000
NSW	Independent	The Coast Christian School	BENSVILLE	Construction of a two storey building comprising eight general learning areas, student amenities, covered walkways, a lift, four withdrawal spaces, covered outdoor learning area (COLA) and upgrades to play areas.	\$1,650,000
NSW	Independent	The Nature School	PORT MACQUARIE	Development of an existing building to provide a second storey comprising three general learning areas, a corridor, stairs and tiered seating.	\$1,000,000
NSW	Independent	Western Grammar School	PLUMPTON	Construction of a two storey building comprising five general learning areas, a hall/activity space with a stage and a covered verandah.	\$1,000,000
NSW	Independent	William Campbell College	NOWRA HILL	Construction of a building to include four general learning areas, breakout spaces, staff offices and amenities.	\$1,700,000
NSW	Independent	Wollondilly Anglican College	TAHMOOR	Construction of a multi-purpose hall/gymnasium including two multi-use courts, storage, external covered entrance, foyer with service area, change rooms, amenities, storage, staff room, staff wellbeing centre, viewing gallery, four general learning areas, and landscaping.	\$4,000,000
NSW	Catholic	Eileen O'Connor School, Tuggerah	TUGGERAH	Construction of a school for primary and secondary students with a disability and high learning needs. The construction comprises learning areas for fitness, science, general learning and library; administration and staff facilities, covered outdoor learning, multi-purpose space and pupil facilities.	\$10,000,000
NSW	Catholic	Holy Family Catholic Primary School Kelso	KELSO	Demolition of buildings housing five general learning areas, a library, two learning support rooms, three offices, a maintenance room, school canteen, staff and student toilets and storage areas. Construction of a two-story building comprising eight general learning areas and six breakout spaces, a library and work room, four learning support rooms, six student toilets, a canteen and circulation.	\$6,643,522

NSW	Catholic	John Therry Catholic High School	ROSEMEADOW	Demolition of four buildings housing eight general learning areas, storage areas, circulation and twenty administration areas and staff toilets. Construction of a three storey building comprising five general learning areas, a senior commons, student toilets and circulation, a library, a library office, two private learning spaces, storage and a sick bay, student well-being area, nine offices, a board room, four meeting rooms, a staff study and staff common room and staff toilets. Conversion of library and staff precinct to include ten general learning areas, five seminar rooms, storage and circulation.	\$10,195,387
NSW	Catholic	Kildare Catholic College	WAGGA WAGGA	Demolition of three buildings housing six science laboratories, a general leaning space, storage areas, circulation, ten administration spaces, staff and student toilets and shelters. Construction of a two storey building comprising twelve offices, four meeting rooms, a board room, storage and circulation, five staff areas, student and staff toilets, a sick bay and well-being precinct, four general learning areas and covered circulation area.	\$8,247,942
NSW	Catholic	Magdalene Catholic College	NARELLAN	Construction of a science laboratory, seven general learning areas, student toilets and circulation.	\$1,900,616
NSW	Catholic	Sacred Heart School	COOTAMUNDRA	Demolition of buildings housing eight general learning areas, an audio-visual room, a science laboratory and preparation room, a staff room, student toilets, a bus shelter, shade shelter and circulation space. Construction of two storey building comprising eight general learning spaces, a library and two seminar rooms, two science laboratories, student toilets, four staff rooms and two breakout and circulation spaces.	\$5,117,144
NSW	Catholic	St Benedict's Catholic College	ORAN PARK	Construction of two storey building comprising a tiered learning space, student toilets, six general learning areas, two seminar rooms, three flexible learning area, circulation, storage and staff toilets. Refurbishment of general learning area to include junior food technology, a design and technology space, wood technology and storage.	\$3,690,625
NSW	Catholic	St Clare's College	WAVERLEY	Refurbishment of part of former convent building to include four general learning areas, a staff common room, an office, storage areas, student toilets and circulation.	\$1,072,658
NSW	Catholic	St Joseph's School	BOOROWA	Demolition of a building housing a staff room and five staff toilets. Construction of staff facilities including an office, shared office and meeting room, staff room, three staff toilets, an outdoor space and circulation. Refurbishment of administrative building to include three offices, a reception area, a student/staff shared canteen and sick bay, a student toilet and circulation spaces.	\$421,735
NSW	Catholic	St Patrick's Parish School	COOMA	Construction of multipurpose hall and stage, storage area, a sports equipment store, student toilets, a kitchenette and circulation including an outdoor terrace.	\$2,238,872

NSW	Catholic	St Paul's Catholic Primary School	MOSS VALE	Demolition of buildings housing a sport store, shelter, a shed and art, withdrawal spaces and circulation. Refurbishment of general learning areas to include a staff room, meeting room, a library and workroom, five general learning areas, three breakout spaces, storage and circulation, and an undercroft, canteen and student toilets. Construction comprising two general learning areas, a shared breakout space, staff and student toilets, storage and circulation.	\$2,035,120
NSW	Catholic	St Thomas More Catholic Primary School	CAMPBELLTOWN	The project is to demolish and reconstruct a student amenities block (Block D).	\$862,524
NT	Joint	Gawa Christian School	ELCHO ISLAND	Refurbishment of library and classroom which is located next to library.	\$227,500
NT	Joint	Good Shepherd Lutheran College	PALMERSTON	Construction of awning.	\$113,000
NT	Joint	Ltyentye Apurte Catholic School	ALICE SPRINGS	Construction of new classroom buildings for senior classrooms and specialists classrooms for primary school.	\$780,000
NT	Joint	MacKillop Catholic College	JOHNSTON	Reengineer aircon system.	\$200,777
NT	Joint	Mamadawerre School - Nawarddeken Academy	MAMADAWERRE COMMUNITY	Construction of staff accommodation.	\$194,392
NT	Joint	Marrara Christian College	MARRARA	Renovation to four classrooms.	\$227,500
NT	Joint	O'Loughlin Catholic College	KARAMA	Upgrade PA system.	\$138,052
NT	Joint	Bath Street Campus	ALICE SPRINGS	Replace air conditioners which will provide winter heating and summer cooling.	\$149,504
NT	Joint	St Francis of Assisi Catholic Primary School	HUMPTY DOO	Replacing lock and key system.	\$10,836
NT	Joint	St Francis Xavier Catholic School	DALY RIVER	Refurbishment of art classroom.	\$403,000
NT	Joint	St Mary's Catholic Primary School	DARWIN	Upgrading of toilets for Transition students.	\$131,300
NT	Joint	St Mary's Catholic Primary School	DARWIN	Upgrading of toilets for Transition to Year 6 students.	\$131,300
NT	Joint	St Philip's College	ALICE SPRINGS	Refurbishments of English block.	\$270,000
QLD	Catholic	Ignatius Park College	CRANBROOK	Construction of three design technology rooms and associated works. Demolition of two design technology rooms. Self-funded conversion of Maintenance and Administration	\$346,500
QLD	Catholic	St Patrick's School	ST GEORGE	Construction of four general learning areas, student amenities, multipurpose room and walkways. Demolition of six general learning areas, multipurpose room, student amenities, administration, storage rooms and shed, external covered walkways and hardstand. Conversion of multipurpose room into learning support and administration.	\$3,742,000
QLD	Catholic	Townsville Flexible School - Bowen Campus	BOWEN	Construction of two general learning areas with learning support areas, two flexible specialist rooms, student amenities, server and cleaners stores, maintenance and physical education stores, associated walkways and external covered court. Construction of canteen kitchen, laundry, and associated walkways.	\$3,458,000
QLD	Independent	All Saints Anglican School	MERRIMAC	Installation of a solar panel system	\$82,355
QLD	Independent	Australian International Islamic College	DURACK	Conversion of an existing hall to create a multipurpose hall, including demolition.	\$400,000
QLD	Independent	Australian International Islamic College - Logan Campus	LOGAN	Conversion of an overcroft to four general learning areas, two learning support areas and storage.	\$850,000

QLD	Independent	Autism Queensland Education & Therapy Centre - Koongal	KOONGAL	Installation of a solar panel and battery storage system	\$48,450
QLD	Independent	Autism Queensland Education and Therapy Centre	SUNNYBANK HILLS	Installation of a solar panel and battery storage system	\$68,266
QLD	Independent	Autism Queensland Education and Therapy Centre	SUNNYBANK HILLS	Development of a Master Plan	\$68,469
QLD	Independent	Brighton Campus	BRIGHTON	Installation of a solar panel and battery storage system	\$59,982
QLD	Independent	Brighton Campus	BRIGHTON	Development of a Master Plan	\$74,094
QLD	Independent	Bethany Lutheran Primary School	RACEVIEW	Installation of a solar panel and battery storage system	\$226,941
QLD	Independent	Blackall Range Independent School	KUREELPA	Development of a master plan.	\$11,175
QLD	Independent	Blackheath and Thornburgh College	CHARTERS TOWERS	Installation of water harvesting tanks, pumps and pipework	\$224,888
QLD	Independent	Brisbane Christian College	SALISBURY	Installation of a battery storage system	\$195,150
QLD	Independent	Burnett Youth Learning Centre	ELLIOTT	Installation of water harvesting tanks, pumps and pipework	\$76,130
QLD	Independent	Carinity Education - Glendyne - Tinana Campus	TINANA	Development of a master plan.	\$75,000
QLD	Independent	Carinity Education - Gladstone	GLEN EDEN	Construction of a multipurpose hall, gymnasium, amenities, storage and travel link.	\$3,250,000
QLD	Independent	Concordia Lutheran College	TOOWOOMBA	Installation of a solar panel system	\$70,364
QLD	Independent	Coolum Beach Christian College	COOLUM BEACH	Installation of a solar panel and battery storage system	\$96,487
QLD	Independent	Darling Downs Adventist College	TOOWOOMBA	Development of a master plan.	\$69,525
QLD	Independent	Djarragun College	GORDONVALE	Construction of a boarding dining room, kitchen, two study rooms, office, reception, storage, outdoor covered area.	\$3,000,000
QLD	Independent	Endeavour Christian College	COOKTOWN	Installation of a solar panel system	\$86,573
QLD	Independent	Enkindle Village School - Stuart	STUART	Conversion of existing educational facilities to six general learning areas, resource centre, administration, storage, outdoor covered learning areas and external travel. Construction of amenities, external travel and travel link.	\$2,200,000
QLD	Independent	Faith Lutheran College (Plainland)	PLAINLAND	Development of a master plan.	\$71,250
QLD	Independent	Glenvale Christian School	GLENVALE	Development of a master plan.	\$56,250
QLD	Independent	Grace Lutheran College	ROTHWELL	Installation of smart metering and rainwater storage monitoring system	\$91,916
QLD	Independent	Grace Lutheran College Caboolture	CABOOLTURE	Installation of a solar panel system	\$25,220
QLD	Independent	Grace Lutheran College Caboolture	CABOOLTURE	Installation of smart metering and rainwater storage monitoring system	\$83,368
QLD	Independent	Gulf Christian College	NORMANTON	Installation of water tanks, pump and pipework	\$71,625
QLD	Independent	Highlands Christian College	TOOWOOMBA	Installation of a tank and water fittings including pipework, pumps and guttering	\$300,000
QLD	Independent	Hills International College	JIMBOOMBA	Development of a master plan.	\$50,000

QLD	Independent	Horizons College Glass House Mountains	GLASS HOUSE MOUNTAINS	Construction of five general learning areas, three senior technology workshops, external covered work area, hospitality practices kitchen, cold room, laundry, multipurpose hall, storage, administration, external travel and travel link.	\$6,900,000
QLD	Independent	Ipswich Girls Grammar School	EAST IPSWICH	Development of a master plan.	\$25,000
QLD	Independent	Islamic College of Brisbane	KARAWATHA	Construction of two science laboratories, science preparatory room, two senior technology workshops, external covered work areas, digital technologies laboratory, storage, amenities, enclosed travel, travel link, undercroft, and overcroft.	\$2,800,000
QLD	Independent	Islamic College of Brisbane	KARAWATHA	Construction of amenities, including demolition.	\$620,000
QLD	Independent	Islamic College of Brisbane - Kuraby	KURABY	Construction of internal site infrastructure.	\$2,250,000
QLD	Independent	Islamic College of Brisbane - Kuraby	KURABY	Construction of twelve general learning areas, withdrawal areas, digital technologies laboratory, visual arts, multipurpose hall, covered outdoor learning areas, administration, storage, amenities, enclosed travel, internal travel, undercroft, and solar panels.	\$10,360,000
QLD	Independent	John Paul College	DAISY HILL	Installation of a solar panel system	\$108,231
QLD	Independent	Jubilee Christian College	ATHERTON	Installation of a solar panel and battery storage system	\$83,775
QLD	Independent	King's Christian College - Chambers Flat	CHAMBERS FLAT	Development of a Master Plan	\$75,000
QLD	Independent	King's Christian College - Pimpama	PIMPAMA	Development of a Master Plan	\$75,000
QLD	Independent	Kluthuthu Christian College	NAPRANUM	Construction of three flexible learning areas, withdrawal areas, staff room, covered outdoor learning area and external travel.	\$1,300,000
QLD	Independent	Kutta Mulla Gorinna Special Assistance School	MACKAY	Development of a Master Plan	\$36,600
QLD	Independent	Mackay Christian College	MACKAY NORTH	Development of a Master Plan	\$50,000
QLD	Independent	Noosa Adventist College	COOROY	Development of a master plan.	\$75,000
QLD	Independent	Parklands Christian College	PARK RIDGE	Development of a Master Plan	\$56,175
QLD	Independent	Peace Lutheran College	KAMERUNGA	Installation of a solar panel system	\$49,070
QLD	Independent	Henderson Road Campus	EVERTON HILLS	Development of a master plan.	\$25,000
QLD	Independent	Prince of Peace Lutheran College	EVERTON PARK	Development of a master plan.	\$25,000
QLD	Independent	Samford Valley Steiner School	WIGHT'S MOUNTAIN	Development of a Master Plan	\$50,000
QLD	Independent	Sheldon College	SHELDON	Installation of water efficient fittings	\$50,637
QLD	Independent	St Hilda's School	SOUTHPORT	Development of a Master Plan	\$47,500
QLD	Independent	St James Lutheran College	URRAWEE	Development of a master plan.	\$69,000
QLD	Independent	St John's Lutheran Primary School	BUNDABERG	Installation of a solar panel system	\$98,672
QLD	Independent	Tec-NQ - Rosslea	ROSSLEA	Installation of a solar panel and battery storage system.	\$188,418
QLD	Independent	The Cathedral School of St Anne and St James	MUNDINGBURRA	Installation of water tank, pump and pipework	\$200,000
QLD	Independent	The Cathedral School of St Anne and St James	MUNDINGBURRA	Development of a Master Plan	\$50,000
QLD	Independent	The School of Total Education	WARWICK	Installation of water tanks, pump and pipework	\$40,609
QLD	Independent	The School of Total Education	WARWICK	Installation of a battery storage system	\$42,263

QLD	Independent	The Scots PGC College	WARWICK	Installation of a solar panel system and light fittings including motion sensor controls	\$109,620
QLD	Independent	The Southport School	SOUTHPORT	Installation of a solar panel and battery storage system	\$42,089
QLD	Independent	The Younty School	BURPENGARY	Installation of solar and battery storage systems including insulation upgrade. Installation of water tanks including site work, pump and pipework.	\$107,389
QLD	Independent	The Younty School	BURPENGARY	Development of a master plan.	\$75,000
QLD	Independent	Toogoolawa School	ORMEAU	Construction of six general learning areas, six flexible learning areas, withdrawal areas, three learning support areas, two staffrooms, administration, amenities, lift, internal travel, ramp, stairs and demolition.	\$3,600,000
QLD	Independent	Marlin Coast Campus	KEWARRA BEACH	Installation of a solar panel system	\$55,923
QLD	Independent	Trinity Anglican School	WHITE ROCK	Installation of a solar panel system	\$77,925
QLD	Independent	Two Rivers Community School	MAREEBA	Installation of a solar panel system	\$261,365
QLD	Independent	Alice St Campus	GOODNA	Installation of a battery storage system	\$46,937
QLD	Independent	Westside Christian College	GOODNA	Installation of a battery storage system	\$44,187
QLD	Independent	Whitsunday Christian College	CANNONVALE	Installation of a solar panel system	\$178,551
QLD	Independent	Y Schools Queensland – Moreton Bay - Baringa	BARINGA	Construction of five general learning areas, flexible learning area, withdrawal areas, learning support area, counselling rooms, visual arts room, design and technologies kitchen, digital technologies laboratory, multipurpose hall, administration, learning commons, enclosed travel, storage, amenities, lift, undercroft and car park.	\$3,000,000
QLD	Independent	Yarranlea Primary School	MOUNT GRAVATT	Development of a master plan.	\$36,500
SA	Catholic	Our Lady of Hope Catholic School	GREENWITH	New general learning building	\$1,500,000
SA	Catholic	Our Lady of La Vang School	FLINDERS PARK	A northern access gate and sheltered area to the gym, providing smoother transitions for students with extensive needs and an emergency exit for dysregulated students.	\$152,593
SA	Catholic	Our Lady Queen of Peace School	ALBERT PARK	The plan involves demolishing aging facilities, including five general learning areas (GLAs), and constructing a modern two-story building with a lift. The ground floor will feature three GLAs, a library, wellbeing/intervention rooms, breakout spaces, and staff/admin offices; Level 1 will have 5 GLAs.	\$4,000,000
SA	Catholic	School of the Nativity	ABERFOYLE PARK	New amenities at St Joseph's Building and amenities upgrade at Bartram building.	\$640,000
SA	Catholic	St Francis of Assisi School	NEWTON	The proposed works include the upgrade of the Piazza, creation of a new visitor carpark, and improved campus entry/play spaces. Also includes the refurbishing the toilets in the St Joseph's building, which are in poor condition.	\$1,672,323
SA	Catholic	St Mary Magdalene's School	ELIZABETH GROVE	Includes demolishing four end-of-life transportable classrooms and an existing shelter to construct six new general learning areas (GLA facility) with flexible breakout spaces.	\$1,000,000
SA	Catholic	St Patrick's Special School	DULWICH	Refurbishment of existing general learning area and extended outdoor deck.	\$464,000
SA	Independent	Crossways Lutheran School, Ceduna	CEDUNA	Master Plan	\$15,940
SA	Independent	Dara School	MORPHETTVILLE	Construction of two general learning areas, teacher preparation area, kitchenette, storage area, student and staff amenities, verandah, stairs and ramp.	\$330,000

SA	Independent	Emmaus Christian College	SOUTH PLYMPTON	Construction of two storey technology centre comprising robotics and electro technology workshop, electronics workshop, technology studies, finishing room, spray booth, plant room, staff office, stairs, lift, and corridor.	\$700,000
SA	Independent	Encounter Lutheran College	VICTOR HARBOR	Construction of two storey building comprising drama and dance rooms, change rooms, student amenities, corridors, control room, three general learning areas, meeting room, staff office, storage areas, external staircase and bridge across to existing building.	\$1,000,000
SA	Independent	Good Shepherd Lutheran School	ANGASTON	Refurbishment of transportable building consisting of two general learning areas, storage, student amenities, verandah, decking and unenclosed pathway.	\$400,000
SA	Independent	Heritage College Inc	OAKDEN	Master Plan	\$17,500
SA	Independent	IQRA College	O'HALLORAN HILL	Refurbishment of existing building to create seven general learning areas, a science, technology, engineering and math laboratory, breakout spaces, withdrawal rooms, storage, and internal corridor.	\$1,250,000
SA	Independent	Navigator College	PORT LINCOLN	Construction of a music centre including music room, music recording room, control room, five practice spaces, staff office, storage room, kitchenette, corridor and amenities.	\$1,000,000
SA	Independent	Southern Montessori Middle School	MORPHETT VALE	Construction of two general learning areas, undercover decking, stairs, outdoor learning spaces, and landscaping.	\$750,000
SA	Independent	St George College Campus	MILE END	Refurbishment and extension of two ground floor general learning areas, including wet zones, lockers and verandah.	\$260,000
SA	Independent	St Michael's Lutheran School	HAHNDORF	Refurbishment of three general learning areas.	\$115,000
SA	Independent	Trinity College Roseworthy	ROSEWORTHY	Construction of two-story building comprising of tech studies, design and innovation, home economics, cold room, two science laboratories, eleven general learning areas, design studio, gallery ,wellbeing spaces, media and think tanks, music rooms, breakout spaces, student and staff amenities, staff kitchenette and workspaces, meeting rooms, offices, stairs, lift, and balcony.	\$1,000,000
SA	Independent	Tyndale Christian School Murray Bridge	MURRAY BRIDGE	Demolition of existing covered outdoor learning area. Construction of covered outdoor learning area including court surface and upgrade the surrounding landscaping.	\$740,000
SA	Independent	Unity College Inc	MURRAY BRIDGE	Master Plan	\$17,500
SA	Independent	Willunga Waldorf School	WILLUNGA	Construction of administration building comprising of reception area, first aid, staff offices, meeting rooms, staff room, printer room, open plan workspace, amenities, storage and decks.	\$985,000
TAS	Catholic	St Brigid's Catholic School	WYNYARD	Redevelopment and refurbishment of four existing general learning areas, and associated upgrade to external learning spaces, student amenities, covered walkways, and undercover court.	\$1,864,427
TAS	Independent	Launceston Church Grammar School	MOWBRAY HEIGHTS	Construction of an outdoor learning area within spaces between existing senior student classroom blocks.	\$175,000
TAS	Independent	Southern Christian College	KINGSTON	Relocation of administration area to front of school.	\$600,000
TAS	Independent	Tarremah Steiner School	HUNTINGFIELD	Refurbishment/construction of multipurpose library and administration complex.	\$750,000

VIC	Independent	All Saints Anglican School	SHEPPARTON NORTH	Construction of Stage 2B to extend the existing science, technology, engineering, arts, design and mathematics centre to include three specialist science laboratories, an art studio, woodwork studio, two performance spaces, two music practice rooms, collaborative area, staff office and outdoor area. Site works, establishment of sports oval and installation of covered area to existing hardcourts.	\$1,500,000
VIC	Independent	Berry Street School - Morwell Campus	MORWELL	Relocation of school to new site. Refurbishment of two-storey building to create eight general learning areas and breakout areas, administration area, three staff offices, first aid room, four meeting rooms, two staff work areas, three wellbeing rooms, library, multipurpose room, technology room, art room, common room, food technology/kitchen area, storage areas and student and staff amenities. Installation of a lift.	\$2,000,000
