Are you looking for extra support, connection, and a great place to focus on your study?

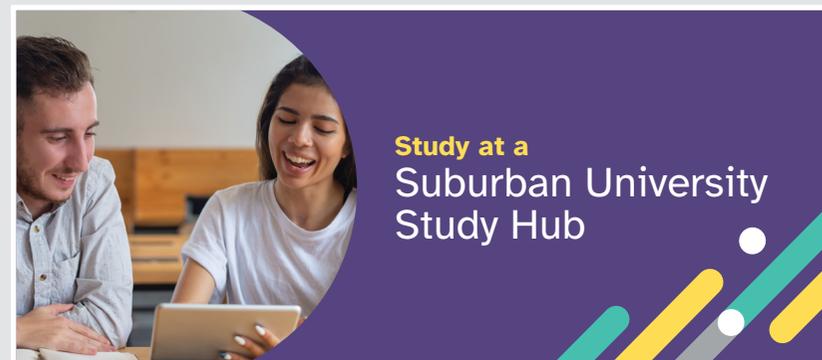

Suburban University Study Hubs support students in the outer suburbs of Australia's major cities, helping students stay motivated and part of a learning community.

Facilities and support services vary between locations, but typically include:

- study spaces
- break-out areas
- video conferencing
- computer facilities
- high-speed internet
- student support services.

Domestic students enrolled with an Australian university or vocational education and training (VET) provider can register for free access to the facilities and services at Study Hubs.

Studying through uni? You've got options.

You can study from anywhere—but if you're looking for extra support, connection, and a great place to focus, a Suburban University Study Hub may be the answer.

🏠 Access facilities like quiet study spaces and fast internet

👥 Get support when you need it

👤 Connect with other students in your area

Study Hubs are a great way to help you stay focused and feel part of a learning community—closer to where you are.

"The Study Hub provides local students like me with a quiet and accessible space to focus on their studies without needing to travel far, which reduces stress, especially for those balancing work or family responsibilities." - Weefah, Ellenbrook Study Hub

If you are studying at any Australian university or VET provider you can register for free access.
