(a) A student may participate in no, one or more than one research end user activity. As a consequence, the institution and overall total may be less than the sum of all end user categories.

(b) Previously University of Ballarat.

(c) No prior year comparison available (new to 2018 collection).

Reporting for jointly funded or fully funded by a research end user, formal training on end user engagement and other engagement activities was not compulsory for 2018, so figures may not reflect actual levels of engagement for these types. np not published.
