Dear Ms Cilento *Melinda,*

Thank you for your letter dated 7 April 2025 providing an update on the work of the Expert Council on University Governance (the Expert Council). I appreciate the invitation for the Queensland Department of Education to contribute a submission towards the proposed University Governance Principles and Recommendations for Education Ministers' review this year.

I can advise that the department will not make an individual submission to the review.

However, I am pleased that the Expert Council is engaging with a broad range of stakeholders on this important matter. I look forward to reviewing the Expert Council's report and will give careful consideration to its findings and recommendations later this year.

If you require further information or assistance, please contact [REDACTED]

Yours sincerely

JOHN-PAUL LANGBROEK MP
Minister for Education and the Arts
